

Ticketing & PrePay Information

PrePay allows faster passenger boarding, improving the reliability of bus services. On PrePay-only bus routes and at dedicated PrePay-only bus stops, you must purchase your ticket from one of our TransitShops or ticket agents before you board the bus.

All bus stops in the Sydney CBD are PrePay-only between 7:00am and 7:00pm on weekdays.

PrePay-only bus routes and bus stops are shown in timetables using purple-coloured text.

TravelTen and TravelPass tickets offer generous discounts, and can be purchased from TransitShops and ticket agents. DayTripper, Pensioner Excursion and single-ride tickets are also available.

Prepaid tickets must be validated every time you board the bus. To assist with an on time departure, please have your ticket ready for validation prior to boarding.

Lost Property

Please take all items with you before you leave the bus. If you find an item left on the bus, please notify the driver.

Please keep your bus ticket to help identify the bus involved.

Lost property enquiries can be made by telephoning Transport Info on 131500.

Help save the planet - catch a bus

You can help reduce greenhouse gas emissions, air pollution, noise and congestion simply by using the bus rather than the car.

Based on this chart: a single driver in a mid sized car generates 100 times more CO₂ than a well patronised bus.

On average, every bus carries 40 people, that's 40 cars off the road.

Sydney Buses has led the way in using environmentally friendly buses.

1989 - Natural gas buses were introduced.

2007 - Euro 5 diesel low emission buses commenced service.

2008 - EEV CNG low emission buses commenced service.
